

Honolulu Board of REALTORS®
REALTOR® Directory Information Form

As a member of HBR, you will be featured in our online REALTOR® Directory on the Board's website, www.hicentral.com. The purpose of the directory is for visitors to the website to look up a REALTOR® by first or last name, or to find a REALTOR® using search criteria that includes language(s) spoken and designations held.

In addition to your office name and address, and designations held, which HBR will automatically include in the directory, you have the option to include a short biography, photograph, website and social media links. At a minimum, it is strongly recommended that you include a current photograph (headshot). Please email your completed form and digital photograph (minimum dimensions of 175x250 pixels) to alex.ruiz@hicentral.com.
