You can elect to use the range of offerings based on your needs and interests – see below for details.

Membership Features & Benefits

One-on-one Coaching

Individualized coaching sessions via phone or Zoom to help you develop customized plans to help reach your goals and apply concepts from the classes (#2) to your situation. This includes information about homebuyer assistance programs.

Home Buyers Education & Consumer Workshops

Our nationally recognized training course provides credible, accurate information. The nine-hour content is presented to you in segments to ensure that you leave our course with the skills you need to become "Mortgage Ready" and make an informed decision about your home purchase.

Live webinar classes via Zoom or an online self-paced program are available.

Consumer workshops provide information about homeownership related topics based on member interest.

Our Homeowner seminars are designed to support you in sustaining your home & address other concerns after your purchase.

One-on-one coaching is available as needed after the home purchase. Topics have included avoiding financial pitfalls and foreclosure, refinance, and purchasing another home. Our homebuyers have proven to be default resistant.
